In addition to the posts drafted above, we will post our own content across our social media channels for this campaign. We strongly encourage you to share those posts as well! And if you haven't already, please follow us on <u>Facebook</u>, <u>Twitter</u>, <u>Instagram</u>, and <u>LinkedIn</u>.

If you choose to use an image instead of a link preview, please remember to include the URL in the post itself.

ONE LAST NOTE: On Facebook and LinkedIn, sometimes tagging can be a bit wonky. If you see "@The Doe Fund" in your post rather than "The Doe Fund", just re-type it out and click the one with our logo from the list that appears. See the example below.
